WHITES

Fresh and bright, these classic solid white and off-white colours add lightness to numerous spaces and styles.

PASTELS

Softened solid colours present composed and calming alternatives for transitional design aesthetics.

REFINED

Aesthetics with reserved details, minimalist elements and comfortable hues express elegant subtlety and finesse.

BOLD

Cheerful and strong, intense colours make powerful design statements with an emphasis on joyful inspiration.

DEEP SOLID

Rich and understated, these hues redefine neutral colours with their dark values and endless design opportunities.

DEEP PARTICLES

Dark colours infused with particulates add visual interest, a sense of animation and a touch of mystery.

COMPLEX

Grand, animated designs add complexity to aesthetics that engage the eye and add strong details to design applications.

CONCRETE

Industrial-age inspirations, realised in robust neutral aesthetics, create timeless looks to transition between classic and modern designs.

AGGREGATE

Colour coordinated with the Concrete aesthetics, random particles and movement add texture to industrial-inspired spaces and designs.

TERRAZZO

Inspired by mid-century modern design, particles dispersed throughout the aesthetic enliven the look and enhance any design style.

ONYX

The white, translucent background comes to life with swirling veins that create breathtaking organic beauty and vibrant energy.

LINEAR

Parallel veins streak through the white background to sharply define and energise the surface from within.

NUWOOD

Inspired by one of nature's most beautiful materials, this aesthetic celebrates wood's varied graining and rich colours.

PRIMA

Opulent designs with flowing patterns and nature-inspired colours pay homage to classic veined aesthetics.

HERITAGE

Rooted in the natural world, varied colours and patterns suggest ancient elements and the earth's riches.

FOR EVERY SPACE IN THE HOME

FOR DECADES, CORIAN SOLID SURFACE HAS PROVIDED THE IDEAL SOLUTION FOR EVERY SPACE IN THE HOME.

Visual beauty and durability, daily functionality and design versatility, cleanability and hygiene are all built into its very nature.

Corian® Solid Surface is perfect for a range of kitchen styles, from high tech to traditional, from minimalist to warm and cosy. Offering extraordinary design flexibility in a wide range of vibrant colours, it is ideal for countertops, backsplashes and integrated sinks, and many other applications. It offers inconspicuous seams and a sleek, hygienic non-porous surface. Virtually seamless to the eye and touch, Corian® Solid Surface can become the main attraction in any bathroom. Versatile good looks mean that you can create striking design schemes in the colour of your choice for wall cladding, shower trays, vanity tops and bowls. Durable, non-porous, and easy to clean, Corian® Solid Surface offers low-maintenance elegance.

THE FUTURE LOOK OF HEALTHCARE TODAY

CORIAN® SOLID SURFACE PROVIDES A TRULY OPTIMAL COMBINATION OF RESISTANCE AND VERSATILITY FOR HEALTHCARE, WELLNESS SPACES, AND OTHER HYGIENE-CRITICAL ENVIRONMENTS.

In addition to infection prevention, the new colours offer a calming aesthetic benefit as well. Whether as a non-porous and functionally seamless bedside or workbench installation, scrub room or operating theater applications, or colourful additions in a children's ward, Corian® Solid Surface enhances overall design and well-being.

UNMATCHED AMBIENCE FOR HOSPITALITY

THE HOSPITALITY SECTOR IS UNDOUBTEDLY ENHANCED BY AN AESTHETICALLY PLEASING ENVIRONMENT, AFTER ALL, FIRST IMPRESSIONS ARE EVERYTHING.

Leisure and service interiors present particular challenges – senses and tastes must be enticed by stunning beauty, cleanliness and style, while functionality calls for order, cleanliness, and wear resistance under constant use. With its unique combination of properties and benefits, Corian® Solid Surface perfectly meets all these challenging demands.

CRAFTING PROFUND FOOD SERVICE DESIGN

OUR NEW CORIAN® SOLID SURFACE COLOURS ARE ADEPT AT APPEALING TO ALL APPETITES. THEY STIMULATE SENSES AND PROMOTE COMFORT WHEN SURROUNDED WITH FINE DRINKS AND CUISINE.

Capable of creating fluent, seamless, and monolithic installations, these remarkable surfaces cater to multiple aspects of food service design. These surfaces are known for their non-porous qualities, integrity of performance and the ability to conform to almost any design brief.
